

Wisdom in Money – Proverbs

“Enormous Pressure”

Four Wise Principles:

1. Guard your heart.

Beware wrongful gain [Prov 15:27; 13:11; 28:24; 23:4]
“Better a little with righteousness” [Prov 16:8].

God cares about your heart. You care too.

2. Be a good manager.

Wise management = love

1. Work diligently [Prov 28:19]
2. Budget sensibly [Prov 21:5]
3. Save thoughtfully [Prov 21:20]
4. Avoid debt [Prov 22:7]

How does your management affect yourself and others?

3. Give generously.

God values generosity [Prov 22:9; 3:9]

Are you being generous with your money?

4. Make the right investment in Jesus.

Ultimate security found in the Lord Jesus [Prov 11:4; 18:10-11; Matt 6:19-20].
Choose wisely [Prov 28:11].

Have you made the right investment?
