

Genesis 6-7 – Flood – Judgement is coming

Is Noah's ark a fictional fairytale?

(the animal 'kinds' *could* fit in the ark)

1. The Problem

Human wickedness and evil (sin) - 6.5

V1-4 – 'the sons of God'? & the 'Nephilim' are???

Main point – (v11,6)

2. The Promise/s

V7,13 – wipe mankind and animals from the earth by a flood

How do you feel about this?

God's holiness and anger, and the cross

A different promise to Noah (v19)

Who found grace, and was righteous by____(v8, Heb 11.7)

Resisting peer pressure – Noah our example

3. The Obedience – v14-22

The word 'kind' doesn't mean species

4. The Fulfilment – 7.6ff

The flood comes (events have order)

Floods the whole earth (7.23, 8.4) & kills all land animals (7.21-3)

Main points...

5. Another Fulfilment (Matt 24.36-42,51)

How can we be saved from the fiery judgement to come?

Get ready by being 'in Christ' (Rom 8.1; 2Tim 2.10)

... by trust (2 Pet 3.7; John 6.37)

We need to tell others and pray
